

Remarks/Arguments:

Claim 1 and claim 19 have been amended to more particularly point out and distinctly claim the subject matter than applicants regard as the invention by correcting informalities in the claims. It is submitted that no new matter is introduced by this amendment. This amendment does not introduce any new questions of patentability. Entry of this amendment is respectfully requested.

Respectfully submitted,

Bruce M. Monroe, Reg. No. 33,602
Attorney for Applicants
